The picnic was reviewed as well as the plans for the Lake Erie Fanfare event. We are hoping for more reservations for both events. Kathy Kean was going to follow-up on the quantity of leftover items (pop, candy, etc.) from the sports booster concession stand that we could help get rid of during bandcamp.

New Business: A reminder that we will need to renew our Small Games of Chance License during August. The officers will see that this is completed.

Mr. Cameron's Report: Being that Mr. Cameron was still out of town on vacation, he had no report.

The next meeting would normally be on August 3, 2010. It was mentioned that we may divert this meeting to the traditional mandatory parent meeting held during bandcamp. Dot will talk this over with Mr. Cameron upon his return from vacation.
